McGuireWoods LLP (“MW”), in its capacity as co-counsel to LandAmerica Financial group, Inc. (“LFG”), LandAmerica 1031 Exchange Services, Inc. (“LES”), LandAmerica Assessment Corporation (“LAC”), LandAmerica Title Company (“LandAm Title”), and Southland Title Corporation, Southland Title of San Diego, and Southland Title of Orange County (collectively, the “Southland Entities” and collectively with LFG, LES, LAC, and LandAm Title the “Debtors”), debtors and debtors in possession in the above-captioned jointly administered cases, submits the following as its Second Interim Application for Compensation and Reimbursement of Expenses for Services Rendered from March 1, 2009 through May 31, 2009 (the “Application”) pursuant to 11 U.S.C. §§ 330, 331 and 503(b), Federal Rule of

Bankruptcy Procedure 2016, and Local Bankruptcy Rule 2016-1. MW certifies that the Debtors have received a copy of this Application, but have not completed their review. (the “LFG Creditors’ Committee”) and (b) LandAmerica 1031 Exchange Services, Inc. (the “LES Creditors’ Committee”, and, together with the LFG Creditors’ Committee, the “Creditors’ Committees”). For its Application, MW seeks the entry of an order, substantially in the form attached hereto as Exhibit A, granting interim approval of compensation in the amount of \$3,016,393.75 and reimbursement of expenses in the amount of \$33,197.81 for services rendered by MW from March 1, 2009 through May 31, 2009 (the “Application Period”).¹ In support of the Application, MW respectfully represents as follows:

JURISDICTION

1. This Court has jurisdiction to consider this Application under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Application in this District is proper under 28 U.S.C. §§ 1408 and 1409.

2. The bases for the relief requested herein are sections 330, 331 and 503(b) of title 11 of the United States Code (the “Bankruptcy Code”), Federal Rule of Bankruptcy Procedure (the “Bankruptcy Rules”) 2016 and Local Bankruptcy Rule 2016-1.

BACKGROUND

3. On November 26, 2008 (the “Petition Date”), LFG and LES filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code. On March 6, 2009,

¹ MW mistakenly overbilled the Debtors by \$54 in fees for services provided during the month of March (\$889,689.73 instead of \$889,635.73). MW also mistakenly billed (and was paid by) the Debtors for \$15,363.00 in overtime expenses during the Application Period. MW will no longer pass overtime expenses to the Debtors and has reduced the holdback payment request herein by \$15,363.00.

March 27, 2009 and March 31, 2009, various other LFG affiliates (LAC, LandAm Title, and the Southland Entities) filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to manage their properties as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108. No trustee or examiner has been appointed in the Debtors' chapter 11 cases.

4. On December 3, 2008, the United States Trustee for the Eastern District of Virginia (the "Trustee") appointed (a) an Official Committee of Unsecured Creditors in the case of LES (the "LES Committee") and (b) an Official Committee of Unsecured Creditors in the case of LFG (the "LFG Committee," and, together with the LES Committee, the "Creditors' Committees"). On June 4, 2009, the Trustee filed his Amended Appointment of Unsecured Creditors Committee, adding two (2) additional members to the LES Committee. Pursuant to orders of this Court dated November 28, 2008, March 11, 2009, April 8, 2009, and April 9, 2009, the chapter 11 cases of the Debtors are being jointly administered under case number 08-35994.

5. The events leading up to the Petition Date are set forth in the Affidavit of G. William Evans, Chief Financial Officer of LandAmerica Financial Group, Inc. and Vice President of LandAmerica 1031 Exchange Services, Inc., in Support of Chapter 11 Petitions and First Day Pleadings, dated November 26, 2008 [Docket No. 12].

MCGUIREWOODS LLP'S EMPLOYMENT

6. On December 5, 2008, MW filed an Application to Employ McGuireWoods LLP as Co-Counsel for the Debtors Pursuant to 11 U.S.C. §§ 327(a) and 329 [Docket No. 116] (the "Employment Application").

7. On December 23, 2008, the Court entered its Order Granting Application to Employ McGuireWoods LLP as Co-Counsel to Debtors [Docket No. 437] (the “Employment Order”).

8. On December 21, 2008 the Court entered its Order Under Sections 105(a) and 331 of the Bankruptcy Code Establishing Interim Compensation Procedures [Docket No. 411] (the “Interim Compensation Order”).

9. Pursuant to the terms of the Interim Compensation Order, if no objection is filed to a monthly fee statement within twenty (20) days of the service of that application, then the Debtors may pay their respective professionals eighty-five percent (85%) of the fees and one hundred percent (100%) of the expenses set forth in the applicable monthly fee statement. The Interim Compensation Order provides for the payment of the remaining fifteen percent (15%) of fees upon Court approval of a professional’s interim fee application.

10. By this Application, MW is seeking, inter alia, interim approval of its compensation and reimbursement of expenses pursuant to the Employment Order, the Interim Compensation Order, and pursuant to sections 330, 331 and 503(b) of the Bankruptcy Code for the Application Period.

11. MW charges legal fees on an hourly basis at its attorneys’ and paraprofessionals’ hourly rates, which rates are set in accordance with the attorney’s or paraprofessional’s seniority and experience and are adjusted from time to time. MW also charges the Debtors for its actual out-of-pocket expenses incurred including, but not limited to, photocopying, long distance telephone calls, messenger services, computer research, travel expenses, overnight mail and court fees. MW’s fee structure and expense reimbursement policies were disclosed in MW’s Employment Application, to which no party objected and this Court approved.

12. The names of all MW attorneys and paraprofessionals who have worked on this matter and their respective hourly rates are set forth on Exhibit B hereto.

13. MW currently holds a retainer from the Debtors in the approximate amount of \$159,805.84.

14. To the best of MW's knowledge, and upon information and belief, the Debtors have paid or will pay undisputed postpetition operating expenses in the ordinary course.

15. To the best of MW's knowledge, and upon information and belief, the Debtors have sufficient funds on hand (as of May 31, 2009, approximately \$80,712,000.00 for LFG, \$131,674,000.00 for LES, \$1,513,000.00 for LAC, \$907,000.00 for LandAm Title, and \$5,469,000.00 for the Southland Entities) to pay the compensation and reimbursement of expenses requested herein.

16. To the best of MW's knowledge, and upon information and belief, the Debtors have filed with the Court all monthly operating reports presently due, and have paid all quarterly fees to the United States Trustee that are presently due.

FEE PROCEDURES AND MONTHLY FEE STATEMENTS

17. The Interim Compensation Order approved a set of interim compensation procedures attached thereto (the "Interim Compensation Procedures"). Pursuant to paragraph (c) of the Interim Compensation Procedures, Interim Fee Applications (as defined therein) must be filed at three month intervals (the "Interim Fee Period") after the three month period ending February 28, 2009. The Interim Fee Applications must be filed within 45 days after the end of each Interim Fee Period, which for the period of March 1, 2009 to May 31, 2009, is on or before July 15, 2009. In accordance with paragraphs (a) and (d) of the Interim Compensation Procedures, MW will serve a copy of this Application upon the Notice Parties (as defined

therein). Moreover, notice of the Application will be served on the parties entitled to receive notice under the Court's Amended Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management, and Administrative Procedures (the "Amended Case Management Order") [Docket No. 435].

18. Pursuant to the Interim Compensation Procedures, approximately on or after the tenth (10th) day of each month following the month for which compensation was sought, MW submitted a monthly statement to the Notice Parties. Parties entitled to receive notice of the monthly statement had twenty (20) days to review and object to any such statement. If there were no objections, at the expiration of the twenty (20) day period, the Debtors were required to promptly pay eighty-five percent (85%) of the fees and one hundred percent (100%) of the expenses identified in each monthly statement. MW submitted monthly statements for each month during the Application Period and no objections were received for the statements covering March 1, 2009 – March 31, 2009, April 1 – April 30, 2009, and May 1, 2009 – May 31, 2009. MW has been paid approximately 85% of its total requested fees and approximately 100% of its expenses during the Application Period, except for the month of May, 2009. A chart summarizing these payments and the monthly statements is attached hereto as Exhibit C.

As a result of its efforts during the Application Period, MW now seeks interim allowance of \$3,016,393.75 in fees calculated at the applicable guideline hourly billing rates of the firm's personnel who have performed services on

behalf of the Debtors, and \$33,197.81 in expenses actually and necessarily incurred by MW while providing services to the Debtors during the Application Period.

APPLICABLE LEGAL STANDARD

129. The Bankruptcy Code sets forth the legal standards for awarding compensation to professionals employed by the debtor. The format for fee applications is set forth in the U.S. Trustee's Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under section 330 of the Bankruptcy Code (the "Guidelines").

130. Under section 330 of the Bankruptcy Code, the Court may award counsel to the Debtors reasonable compensation for actual, necessary services rendered by such attorneys and paraprofessionals employed by such attorneys based on the nature, extent and value of the services rendered, time spent on such services and the cost of comparable services other than in a bankruptcy case. Furthermore, the Court may award reimbursement for actual, necessary expenses.

131. The expenses incurred by MW, as set forth herein, are reasonable and necessary charges for items including, but not limited to, photocopying, long distance telephone calls, messenger services, computer research, travel expenses, overnight mail and court fees. Photocopy charges are assessed at ten cents (\$.10) per page, which MW believes to be competitive for professional firms in this geographic area. Some larger copy and mailing projects may have been performed at an outside copy center at a lower per page rate. In all

cases, MW has passed through the costs of the outsourced copy or mailing projects to the estate without markup. MW incurred messenger service charges when such delivery was more economical or when prompt delivery was necessary in a given circumstance.

132. Under the “lodestar” approach, the Court should consider the number of hours of service reasonably devoted to the case multiplied by the attorney’s reasonable rates. Courts frequently consider the specific “lodestar” factors enumerated in Johnson v. Georgia Highway Express, Inc., 488 F.2d 714 (5th Cir. 1974). These lodestar factors were adopted by the Fourth Circuit in Barber v. Kimbrells, Inc., 577 F.2d 216, 226 (4th Cir.), cert. denied, 439 U.S. 934 (1978), and in Anderson v. Morris, 658 F.2d 246, 249 (4th Cir. 1981), where the Fourth Circuit held that the district court should employ the lodestar approach, and then adjust the fee on the basis of the remaining Johnson factors in the case. The following are the Johnson factors:

- (a) the time and labor required;
- (b) the novelty and difficulty of the questions;
- (c) the skill requisite to perform the legal service properly;
- (d) the preclusion of other employment by the attorney due to acceptance of the case;
- (e) the customary fee;
- (f) whether the fee is fixed or contingent;
- (g) time limitations imposed by the client or the circumstances;
- (h) the amount involved and the results obtained;
- (i) the experience, reputation and ability of the attorneys;
- (j) the “undesirability” of the case;
- (k) the nature and length of the professional relationship with the client; and

(l) awards in similar cases.

Johnson, 488 F.2d at 717-719; Barber, 577 F.2d at 226, n.28; Anderson, 658 F.2d at 248, n.2.

133. MW believes that the services rendered to the Debtors and the out-of-pocket expenses incurred therewith were both necessary and reasonable in view of the Debtors' obligations in these cases, and the size and complexity of these cases.

134. Moreover, MW has worked closely with the Debtors' other professionals to be very efficient and avoid the duplication of services in these chapter 11 cases.

135. MW is the largest law firm in the Commonwealth of Virginia and among the largest law firms in the country, and has substantial expertise in bankruptcy, business law, commercial litigation and other substantive areas, which has allowed MW to effectively and efficiently address issues arising in a national bankruptcy case. Further, the rates charged by MW are significantly less than rates charged by other law firms in comparable national chapter 11 cases and MW's rates are consistent with rates charged to other clients in non bankruptcy matters. MW has efficiently assisted the Debtors by employing a streamlined case management structure that generally consists of a core team with various other attorneys and paraprofessionals assigned to other discrete tasks to avoid the performance of duplicative or unnecessary work. MW believes the fees requested herein satisfy the Johnson factors as set forth above.

SUMMARY OF EXHIBITS

136. A proposed order approving the Application is attached hereto as Exhibit A.

137. Attached hereto as Exhibit B is a list of all attorneys and paraprofessionals who have worked on these cases, by name, year of admission (where applicable), hourly rate, hours expended on these cases, and total fees incurred.

138. Pursuant to the Interim Compensation Order, MW has received approximately eighty-five percent (85%) of its monthly fees and approximately one hundred percent (100%) of its monthly disbursements for services rendered March 1, 2009 – March 31, 2008; and April 1, 2009 – April 30, 2009. MW has submitted, but not received payment for, its fee statement for May 1, 2009 – May 31, 2009. In total, MW has received \$1,651,192.16 in fees and \$32,322.19 in disbursements. See Exhibit C attached hereto for a statement of those payments. Pursuant to the Interim Compensation Order, approximately fifteen percent (15%) of MW's total fees, totaling \$291,386.84 (not including May's holdback which should total \$161,080.40) have been withheld by the Debtors pending approval of this Application.

139. A summary of all actual and necessary expense disbursements is attached hereto as Exhibit D.

140. A chronological itemization of time categorized by task performed is attached hereto as Exhibit E. MW has made every effort to place all time entries in the proper service category; however, it should be noted that in some circumstances an entry could have been properly placed in more than one of the service categories. In such circumstances, MW has used its best efforts to place the time entry in the service category that represents the primary purpose of the services rendered. Time entries do not appear in more than one service category.

NOTICE

141. Pursuant to the Interim Compensation Order, MW has served copies of the Application on the Notice Parties (as defined therein). In addition, MW has served notice of the Application and notice of the hearing on the Application on the parties entitled to receive notice under the Amended Case Management Order [Docket No. 435]. MW submits that no other or further notice need be given.

WAIVER OF MEMORANDUM OF LAW

142. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in this Application, the Debtors request that this Court waive the requirement that all motions be accompanied by a written memorandum of law.

NO PRIOR REQUEST

143. No prior request for the relief sought herein has been made to this Court in these bankruptcy cases. This is MW's second application for compensation and reimbursement of expenses.

WHEREFORE, MW respectfully requests that this Court enter an order, substantially in the form attached hereto as Exhibit A, (i) approving the compensation and reimbursement of expenses requested herein on an interim basis, (ii) authorizing and directing the Debtors to pay such amounts, and (iii) granting MW such other and further relief as is just and proper.
